

Elden Ring

When I'm bored and meditating over the SD-8516 and to recover from coding, I play Elden Ring.

- [Limgrave Guide](#) (And some surrounding areas)
- After Limgrave, if you haven't done so, the big power area (for smithing stones) is Raya Lucaria Crystal Tunnel. Tunnel was easy with Claymore and Rot Stray.
- Then Sealed Tunnel in Altis Plateau should overpower you.
- For Ghost Gloveworts, there are up to [5] in Siofra river (if you haven't found any yet).
- The [6] and [7] are in Aziura Hero's Grave and Aziura Side Tomb.
- Now you are totally overpowered for Stormveil Castle and can start basically exploring everywhere.
