

# Elden Ring

When I'm bored and meditating over the SD-8516 and to recover from coding, I play Elden Ring.

- [Limgrave Guide](#) (And some surrounding areas)

Normally after Limgrave you can go to finish the rest of [Weeping Peninsula](#) and greater Limgrave.

- After the above, [Stormveil Castle](#) should be relatively easy. In particular if you went as far as Aziura Hero's grave you probably won't even have the strength to use your armor yet.
