

# Elden Ring

When I'm bored and meditating over the SD-8516 and to recover from coding, I play Elden Ring.

- [Limgrave Guide](#) (And some surrounding areas)

Normally after Limgrave you can go to finish the rest of [Weeping Peninsula](#) and greater Limgrave.

- After the above, [Stormveil Castle](#) should be relatively easy. In particular if you went as far as Aziura Hero's grave you probably won't even have the strength to use your armor yet.

In any case, after Stormveil you immediately find yourself in [Liurnia of the Lakes](#), which is the next major area.
